BOOKS, LISTS, TABLES AND RETURNS OF ASSESSORS

MASSACHUSETTS GENERAL LAWS, CHAPTER 59

SECTION 43. The assessors shall make, on the books furnished as provided in section forty-five, a list of the valuation and the assessment thereon, in the following manner: In each column provided in the book or books so furnished shall be entered the valuation of that portion, if any, of the personal property of each person and corporation, indicated by the heading thereof. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided for herein. Before the taxes are committed for collection they shall deposit the books, or an attested copy thereof, in their office or, if there is no office, with their chairman, for public inspection.

SECTION 44. The list shall exhibit the valuation and assessment of the estates of the inhabitants assessed; and the valuation and assessment of the estates of non-resident owners, and shall contain the names of the non-resident owners of the property assessed, or such description of them as can be given, their places of abode, if known, the description of their estate, the true value of such estate, and the tax thereon.

SECTION 45. Each city or town shall provide, on or before January first, annually, suitable books, for the use of its assessors in the assessment of taxes, which shall contain blank columns, with uniform headings for a valuation list, and blank tables for aggregates, in the following form or in such other form as the commissioner shall from time to time determine, or in such other form as he shall approve.

• • •

SECTION 46. The assessors shall enter in the books so furnished the valuation and assessment of the estates of the persons assessed, as directed in the headings of the various columns and shall state the value of each building described, including therein water wheels but excluding land and water power and machinery used in the building.

SECTION 47. The assessors shall fill up the table of aggregates by an enumeration of the necessary items included in the lists of valuation and assessments, and shall annually, on or before July first, deposit in the office of the commissioner an attested copy of the same.

SECTION 48. Annually on or before January fifteenth, assessors shall report to the commissioner in the form prescribed for tables of aggregates by the two preceding sections the facts as to any and all assessments made.....under section seventy-five.

SECTION 49. The assessors, except those of Boston, on or before July first, nineteen hundred and sixty, and in every fifth year thereafter, shall deposit in the office of the commissioner, a copy of the assessors' valuation books of those years, to be by them certified under oath. This shall not excuse, in such years, the filing of a separate copy of the table of aggregates under section forty-seven.

5192

SECTION 50. The books required by section forty-five shall contain a copy of this section, of sections forty-three to forty-nine inclusive, and of sections eighty-four and ninety-four, and such certificates as are required by law to be signed by the assessors, with such explanatory notes as the commissioner considers necessary to secure uniformity of returns under the several headings.

SECTION 51. The asessors shall enter upon the valuation list, in the appropriate columns after the enumeration of the persons and estates liable to taxation therein contained, a statement and description of all the property and estate, with the fair cash value thereof, which is exempted from taxation in their respective towns pursuant to the provisions of the first fifteen clauses of section five, or for the reason that it is owned by a county, city, town or district and put to a public use, with the names of the persons or corporations owning the same and the purpose for which it is used, and with a reference to the law, if any, by which such exemption is allowed.

• • •

SECTION 84. If the assessors of a town ascertain that the aggregate valuation thereof has been diminished since January first of the preceding year, they shall return with the table of aggregates, or with the books, which they are required by sections forty-seven, forty-eight and forty-nine to deposit in the office of the commissioner, a statement, on oath, of the causes which in their opinion have produced such diminution.

• • •

SECTION 94. An assessor who neglects to comply with sections forty-six, forty-seven, forty-eight, forty-nine or eighty-four shall be punished by a fine of not more than two hundred dollars.

NAME OF CITY OR TOWN

OFFICE OF THE BOARD OF ASSESSORS

To Walter F. White, Collector of Taxes

for Southborough (NAME OF CITY OR TOWN) in the County of Worcester,

GREETING:

IN THE NAME OF THE COMMONWEALTH OF MASSACHUSETTS, you are hereby required to levy on and collect from the several persons named in the tax list herewith committed to you the amount of the tax assessed to each such person on REAL ESTATE as therein set forth, with interest, the sum total of such list being Seven hundred fifty four thousand forty five dollars and eighty eight cents ($754,045.88), which is the whole amount, exclusive of betterment and special assessments and of water liens, assessed to all persons known to us to be liable to taxation on REAL ESTATE situated in Southborough, for state, county, city or town purposes, and for overlay.

And you are to pay over said taxes and interest to John M. Carman Treasurer of Southborough (NAME OF CITY OR TOWN), or to his successor in office, at the times and in the manner provided by General Laws, Chapter 60, Section 2, and also to give to the treasurer as aforesaid an account of of all charges and fees collected by you. And you are to make written return of said taxes and interest with your tax list and of your doings thereon at such times as the assessors shall in writing require.

But you are to complete, and make up an account of, the collection of the whole sum hereby committed to you, with interest, on or before December 31 of the current year.

And if any person refuses or neglects to pay his tax for fourteen days after demand, without unnecessary delay you are to levy said tax by distress or seizure and sale of his goods, except tools or implements necessary for his trade or occupation, beasts of the plough necessary for the cultivation of his improved land, military arms, uniforms and equipments, utensils for housekeeping necessary for upholding life, and bedding and apparel necessary for himself and family. And the goods so distrained by you, you are required to keep, at the expense of the owner, for four days at least, and within seven days after the seizure you are required to sell them by public auction for payment of the amount due as provided by law, having first posted a notice of the sale in some public place in the town at least forty-eight hours before the sale; provided, however, that you may, if you shall see fit, once adjourn such sale for not more than three days, in which case you shall forthwith post a notice of such adjournment at the place of sale. And upon demand you are to give a written account of every sale on distress or seizure and of charges, and if said distress is sold for more than the amount due, you shall pay to the owner any surplus above the tax, interest, and charges and fees as provided by law. And if you cannot find sufficient goods on which the tax may be levied, you may take the body of the person assessed and commit him to jail until he pays the tax, interest, and charges and fees as provided by law, or until he is discharged therefrom according to law.

Or, under the provisions of General Laws, Chapter 60, Section 34, you may, after such refusal or neglect, issue your warrant to the sheriff or his deputies of the county, or the deputy collector of taxes or a constable of the town, wherein the person assessed has his usual place of abode or of business, directing them and each of them to distrain the goods or take the body of the person assessed and to proceed as required of collectors in like cases. But you may at your discretion, after the service of such warrant, allow the person assessed to go free for a period not exceeding fourteen days after said service, at which time, if said person does not pay his tax with all interest, charges, and fees due thereon, the officer to whom you commit such warrant shall then arrest him on the aforesaid warrant and commit him to the jail of the county where the arrest is made, or at the county wherein the town in which the tax is payable lies.

And in case you commit the person assessed to jail, you are required to give to the keeper thereof a certificate signed by you, stating that you have committed said person for non-payment of his tax for fourteen days after demand therefor, and for want of goods whereof to make distress, and also setting forth the amount said person is to pay for said tax, interest, charge, and fees.

And in the levy and collection of the amounts hereby committed to you, and of interest, charges, and fees as provided by law, you are to have and to exercise all the powers conferred by the laws of this Commonwealth upon collectors of taxes.
